Sir

In forwarding herewith a copy of letter No 6 dated 14th July 1930 received from the President of Davangere Town Municipal Council re the entertainment of an additional Sanitary Inspector for the Davangere Town etc I have the honour to state that this question having come up before the Municipal Council at their meeting held on 1-7-30 they have resolved that an additional Sanitary Inspector might be entertained for a year in anticipation of sanction of Government A copy of the resolution of the Municipal - Council is enclosed for reference

The President has reported that with the growing importance of the Town it has been found impossible for one Sanitary Inspector to cope up with the supervision over Sanitation the working of the several byelaws and other work in addition ti the collection work which has devolved on him since the abolition of the Special Sheikdar in he Municipality The appointment of a Second Sanitary Inspector solely for collection and Sanitation work has been found to be very necessary The President has also reported that the cost would be met out of the provision made for the purpose in the sanctioned Budget for the current year under E 2(a)

In these circumstances I request that sanction of Government may kindly be obtained to the entertainment of an additional Sanitar Inspector

I have the honour to be,

Letter No E T 6 dated Davangere, 14th July 1930 from the President Town Lunicipal Council ~~to the~~ Davangere to the Deputy Commissioner Chitaldrug District Chitaldrug

I have the honour to forward herewith a copy of the Resolution of the Municipal Council passed in their meeting held on 1-7-1930 regarding the appointment of an additional Sanitary Inspector for the Town Municipality for your kind perusal

As this is a growing town of a population of over 20 000 it has been found not possible for one Sanitary Inspector to supervise the sanitation and conservancy of the town and to give sufficient attention for the enforcement of various Bye-laws and Rules which are in force in the Municipality and to attend to the collection work also which has devolved upon him since the abolition of the post of the temporary Sheikdar from 1st October 1929

In these circumstances the Lunicipal Council have resolved that an additional Sanitary Inspector may be appointed to attend mainly to the general sanitation of the town and the collection of taxes

The additional charge will be met from the sum of Rs 720/- provided in the current year's sanctioned budget under E 2(a)

In these circumstances I request you to be so good as to move Government to kindly accord their sanction to the resolution of the Lunicipal Council
